Good Morning Advisors!

Please see the attached flyer for Dodger's Day 2023 happening on September 13th. Our contact, Alexa Majors, is fantastic to work with and will help you purchase tickets with a PO/check or credit card.

Things to remember:

- Students attending Dodger's Day do NOT have to be members of BPA, you can use this event as recruitment.
- This year's ticket includes lunch! (hot dog, chips, drink, and a cookie)
- The game starts at 12:05PM, but the career panel will begin around 9:45AM - you can get in the stadium as early as 9:30AM.
- Dodger's Day is hosted with Oklahoma DECA, so feel free to share transportation/resources if you have a DECA chapter at your school.
- If your district has bus needs this is an accomodating event. There is no disadvantage to needing to leave early. The only downside to arriving late would be missing the career panel.
- Dress is casual, but we love to see BPA shirts!

Have a wonderful Monday!
