Good Morning Advisors!

We know graduation is a bit away, but we are trying something new this year in regards to cords, stoles, and tassels.

Option 1:

If you would like to purchase these items with a credit card on your own please visit this link with National BPA: https://shop.bpa.org/collections/graduation

The advantage to this option would be that you will pay with a credit card, have them shipped directly to you, and order on your own time frame.

Option 2:

If you would like to purchase your items with a PO in a group bulk order, Oklahoma BPA will be placing a large order in January 2024 and will have items available for pick up at SLC in Tulsa in March.

To bulk order with the group you will need to specify how many items you would to order on the form below. Invoices will have a date of January 1, 2024. The last day to order with the group is December 15, 2023. Invoices will be sent out in January 2024 and all PO/checks will need to be made out to Oklahoma BPA.

Link to Pre-Order: https://www.surveymonkey.com/r/CMLRWF3

The advantage to this option would be that you do not have to pay with a credit card and that you will not have to pay shipping.

I highly recommend that if you plan to order graduation items through either option that you do so before April to avoid stress of items not arriving on time or backorder issues. Also, these items are not required, they are optional to you.

Thank you!
