CORRECTED OK BPA Conparison Report 11 2023.xls
Outlook-nekst4nl.png

It appears that the report I attached to the email copied below mixed up the percentages making it appear that chapters with increases had the opposite and vice versa. A corrected comparison is attached. My apologies for the extra email.

Thank you to the advisor who caught this and let me know!

Have a terrific end to the day!

Subject: BPA Membership - November 2023

Good Afternoon Oklahoma BPA Advisors!

Happy end of the month and (almost) Friday! **Currently Oklahoma BPA sits at 5,778**

members and advisors. As you know we are striving to raise our participation rates this year in the 236 chapters across the state. With 344 Oklahoma BPA advisors we know we can break records with both this year's membership and participation rates.

How does this apply to you and your local chapter? Take a few minutes in December to log into your BPA chapter membership account. Make sure that all of your members are listed and fully submitted.

If you need to graduate students, edit students, add students, or submit students do so before the end of the year to avoid stress while registering for state competition in January.

Each of the program specialists and myself are able to see the status of your chapter and can walk you through any issues you might have.

Region 1: mark.burch@careertech.ok.gov
Region 2: kyla.hensley@careertech.ok.gov
Region 3: jake.phillips@careertech.ok.gov
Region 4: ronda.hill@careertech.ok.gov

Can't locate your username and password? You are not the only one! Forget about using the "forget a password" button on the site and just email your program specialist or myself. We can give you you username and can set a temporary password for you.

The link you should be using for chapter accounts: https://register.bpa.org/

Need a membership invoice corrected or split? National BPA can assist with this. You will email Patrick Schultz for all of your membership related invoice needs: pschultz@bpa.org

What is the cost of dues per person? Dues are $20 per person (students and advisors).

If it says "pending" by my student's name am I in good standing? Yes, your students are considered members. The pending status will be changed to member status once National BPA records your payment for membership dues.

Please let us know if you have any questions! As a reminder of what we see in our system I have attached a comparison report for all of our Oklahoma chapters. Congratulations to those that have increased their membership from last year.

Have a wonderful rest of the week!
