

Dear Educators,

Men's Wearhouse is proud to offer your students a free seminar to help them succeed in their future careers. Our seminar—*How to Dress for Success, Branding Yourself for a Job Interview*—provides students with key strategies on researching potential employers, resume writing, social media networking and what it means to dress "professionally."

We offer our seminar in two formats. Based on availability, we can send a local representative to your classroom to conduct the seminar in-person or we can send you a simple do-it-yourself kit that you can use whenever you like.

Our seminar kits include:

- Instructional guide
- PowerPoint for you to present to your students
- Interview Do's and Don'ts

Interested in signing up for one of our How to Dress for Success seminar options? Please see the instructions below to choose your preferred format:
