Good Evening Advisors!

I will be sending out a few individual emails on some events with very specific needs and changes for SLC 2024. If these do not apply to your chapter, feel free to delete them.

Events: 400, 410, and 415

Provided: table, chairs, internet, and power

Not provided: computers and computer accessories

Not needed: printers – we will be saving everything on an online upload system

Software: Your teams may utilize their own Adobe subscriptions or applications. We will not be providing these.

Why has this changed? Unless we pass on the cost for software licenses to our attendees via competition fees this is the best way to complete these competitions with the necessary products.

Let me know if you have questions!

Thank you!
