Good Evening Oklahoma BPA Advisors!

February 19th is the last day to apply for the **Star Chapter Program** awards! We firmly believe that each one of our Oklahoma BPA chapters qualifies for at least one of the levels in the program: bronze, silver, gold, or platinum.

Gold and Platinum level chapters will be contacted prior to SLC to choose their preferred and reserved seating for both the Opening Session and Awards Session. Yes, this means you can walk in two minutes before the show starts and sit down in whichever seats you have reserved!

Link to fill out the form: https://bpaok.org/https-bpaok-org-wp-content-uploads-2023-08-bpa-star-chapter-program-pdf/

Congratulations to the following chapters for already submitting their applications:

- Fargo-Gage High School
- Wes Watkins Tech
- Northeast Tech - Kansas

Looking forward to seeing more applications in the portal over the next week!

Note: If your chapter is not on this list we do NOT have your app as of 2/10/24 and you will need to fill out the form again. If you think that your application has been missed please try to take screenshots before you submit in case there is a glitch in the system. This will prevent you from needing to fill out the form multiple times if there is an issue with your submission (large file upload usually trigger these glitches).

Have a wonderful start to the week!
