Students attending the leadership sessions at NLC are welcome to attend, but will not have programming available to them in the afternoon.

Students will receive their competition time prior to leaving for lunch.

Judged event competitors will practice their presentations with the judge. We will have an open testing lab for students who would like to practice the online version of their test and any open tests. This will be available after lunch. Students may practice test (online) in any event they would like, but should choose ONLY ONE event o present to the judges at winner's workshop.
